Just waiting on time and location to link up. I just seen Detroit post
5:29 PM

What time is good for you guys he'll move on me
5:45 PM

Are we on Saturday or Sunday? And I default to getting as many other guys as possible, so whatever works to maximize attendance.
5:47 PM

Checking now. You get a min check fb with frank and i.

Hey man, nice job yesterday. A lot of information going in different directions all at the same time.
6:45 AM

I was gonna tag ya at 8.for that same reason you able go through it?
7:10 AM

Yeah, took a while

I have a few goals for today
7:11 AM

Have you been on fb mess
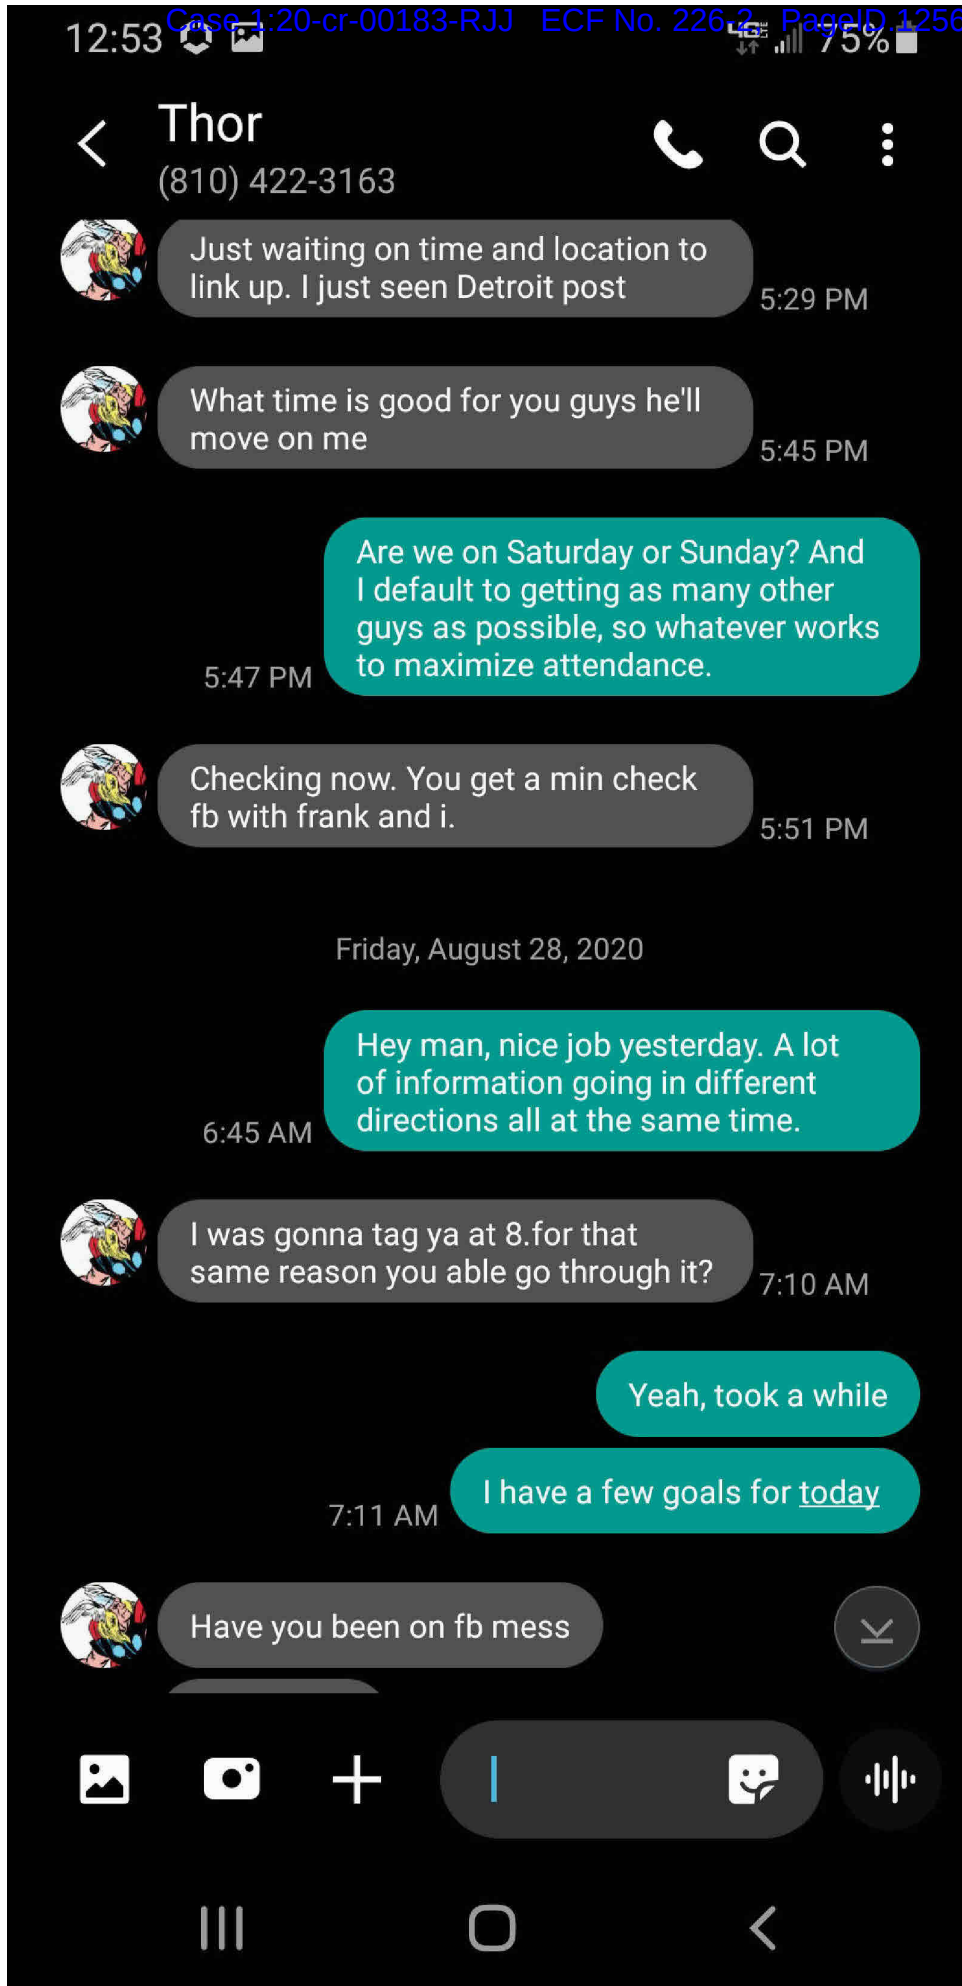

12:53

Thor
(810) 422-3163

Have you been on fb mess

Messanger
7:11 AM

Invite harris for <u>tomorrow</u>
7:11 AM

See if ty can swing by for recon

Discuss swinging by location 1 on the way back
7:12 AM

I did see the messenger stuff

The whole leadership thing
7:13 AM

Ill push to Harris ty should be hes already north.. fb all those guys are coming it looks like plus their guys
7:14 AM

Yeah, might be a ton of people
7:15 AM

Bpuff is double dipping joe added him on ww ive been a ghost on their. Joe is also active with that leadership on messenger. Should I echo that to "the boys" chat? (threema)
7:17 A

7:17 AM

Tracking

Yes, echo to The Boys
7:18 AM

Side note I got this afternoon off hang more with the lil one im free for anything til Tuesday early morning
7:18 AM

Roger that
7:19 AM

I push later this morning so everyone will see
7:19 AM

Do you think caserta would be down for recon too?

Or not worth asking
7:19 AM

I think he would be
7:20 AM

Would fox be good with him coming?
7:21 AM

Ill ask fox first whole chain command thing. Hitch is only room

12:53

Thor
(810) 422-3163

Ill ask fox first whole chain command thing. Hitch is only room for passengers inclined me. So 4 others
7:23 AM

Roger

Good call
7:23 AM

We might be filled . Myself Adam mike shawn and barricade (not sure on his name, but he's confirmed coming via adam)
7:26 AM

That would be a good day
7:26 AM

You guys following? I've been in contact with red too feeding info about what expect training and weapons to expect. Their working on gettin a 3d print block to make ak select fire by ftx
7:29 AM

Following us north?
7:30 AM

I'll call in a bit with details
7:33 AM

Roger that
7:33 AM
